The Semi-formal theme for 2003-2004 year was "A Winter Wonderland." The students danced the night away. The highlight of the evening was when it was time for the crowning of the Semi-formal court. Jana Rowland and Kip Kilbourne were crowned king and queen, while Halie Allen and Ross Adang were crowned princess and prince. This years Semi-formal was a night that all will remember.

SENIOR'S MOST EMBARRASSING MOMENTS & ADVICE TO UNDERCLASSMEN

Miranda Wilkinson

Kristie Young

Krystal Poe-After a basketball game my junior year, I was taking Bron home, and I had to use the restroom. It was late, and I didn't want to wake up her mom, so I drove back by the high school and noticed that the lights were on and one of the doors was open. I went and hurried to the restroom. The alarm went off, and I ran into the janitor. I thought he was going to call the police on me, but luckily he let me go. I got grounded for being 15 minutes late after a night like that!

Angie Roberts-When I was a freshman, I fell up the bus steps and sprained my wrist and hyper-extended my thumb!

MIKE ESTEP-MAKE THE MOST OUT OF YOUR SENIOR YEAR BECAUSE IT FLIES BY.

April Smith-Let the drama go in one ear and out the other.

Tiffany Frush-I was talking about a guy I liked, and he was sitting beside me. I didn't know he knew I was talking about HIM!

Katie Menzie-When cheering for basketball, I was in a stunt and another girl was going up behind me. She kicked my skirt up, and everyone saw my briefs!

TIM MILES-KRISTINE TAPPED ME ON THE SHOULDER DURING PHYSICS CLASS, AND I FLEW OFF MY SEAT, AND EVERYONE CRACKED UP LAUGHING, AND I DID, TOO. THEN I GOT A BLOODY NOSE!

Kristine Rotach-When I gave blood my junior year, I passed out twice!

Dan Rogers-Don't drop out of high school your senior year.

Gabe Patino-Do not goof off in all your classes, and get your credits your freshman and sophomore year.

Josh Lardino-I was on the stage sitting on a brown stool, and I fell asleep. James then slammed his crash symbols by my head. It scared me to death, and I fell out of my seat and cracked my head open on the stage floor!

MARCUS COYLE- STAY AWAY FROM SENIORS, AND FINISH HIGH SCHOOL.

NELSON RINGLE-I WAS TRYING TO GET KETCHUP AT LUNCH, AND I BUMPED THE RANCH CONTAINER WHICH HIT THE KETCHUP. IT SPILLED ALL OVER MY CLOTHES AND MY BRAND NEW SHOES BECAUSE TH LID WASN'T ON TIGHT ENOUGH. THEN I HAD TO GO AND CHANGE INTO MY GYM CLOTHES!

Jody Klinger-I was innocently sitting in art class one day, and I had on a jean shirt that laced up with leather. I was tightening up the bow so it wouldn't come undone, and when I did the leather snapped in half exposing some items. The look on Malicki's face was priceless. He just happened to look up at that moment. I moved very quickly and covered it up. No one else saw.....they only saw how red my face was!

John Shafer-Don't get in trouble so you can graduate.

Kyle Mathias-Bow to me! I rule all! Tell Heather Amburgey she's boootiful! Love, Kyle Mathias.

Samantha Fronczak-I had a huge crush on this guy my junior year, and everytime I talked about him, he just happened to be standing some where near me!

TORAN SAVANT-I KICKED A BUCKET OF WATER DOWN THE RAMP MY FRESHMEN YEAR, AND MR. McCRAKEN WAS AT THE BOTTOM. THE BUCKET CLIPPED HIM IN THE LEG AND SPILLED WATER ALL OVER HIM!

JAMES DRUMMOND-DON'T DO DRUGS.

BRON GREENFIELD-I TRIED TO SHOW OFF IN FRONT OF ERIC (WHO I LIKED) BY JUMPING ON JULIE MICHEL'S SHOULDERS IN FRONT OF HIM, BUT INSTEAD I TRIPPED AND FELL FLAT ON MY FACE. HE HAD TO STEP OVER ME TO GET OUT THE DOOR, AND I DIDN'T TALK TO HIM FOR A WEEK!

Nick Smith-Have a lot of fun, but make sure you keep your grades up.

Kyla Castle-Always be yourself, and don't let people talk you into something you don't want to do. Don't take things for granted and always have fun.

Jolene Reed-Second-hand smoke kills 50 thousdand a year. So don't smoke cigarettes unless you want emphysema!

ASHLEY ANTIQUE-DON'T BE AFRAID OF UPPERCLASSEMEN. BE MEAN IF YOU HAVE TO BECAUSE THEY'RE NOT GOING TO DO ANYTHING TO YOU. HAVE FUN WHILE YOU'RE IN HIGH SCHOOL BECAUSE WHEN IT'S OVER, YOU HAVE TO GROW UP. ALSO TRY TO MEET AS MANY PEOPLE AS YOU CAN.

Trista Mathias-Getting into a disagreement in front of the whole guy's track team!

Zach Anderson-Stay away from embarrassing nicknames.

Philip Peters-Don't try too hard to be somebody you're not because in the end you'll still be just you.

Joby Adams-Always perservere, and never procrastinate because procrastination is the devil.

Vicki Elderidge-Know when to take naps and when not to.

Jana Rowland-I was being stupid and jumped off the first step of the stairs and hit Krista Haywood, and she fell into the brick wall, and I laughed!

Miranda Wilkinson-Make the best of your senior year, and don't regret or leave anything behind.

Jessica Phillips-Look behind you before you talk about people.

Michael Holler-Stay in school.

Stephanie Pucket-I was walking up the ramp with a friend, and I stumbled and ended up falling and rolling all the way down the ramp.

Stacy Socha-During volleyball senior night, it was my turn to serve and my pinky had just gotten jamme., I tried to serve anyway, and when I tossed the ball, it rolled off my hand and went about 3 inches. That was embarrassing!

Tyson Landis-My freshmen year, one of the seniors put a punch me sign on my back, and I didn't know it. All day I was getting slugged in the arm and I was starting to get mad because I started to bruise. Then finally, at the end of the day, my friend punched me in the arm and told me I had a punch me sign on my back. He didn't tell me earlier because he thought it was funny!

Tackling Our Way To Victory

With twelve returning seniors the 2003 Wildcats started their season ready to fight. The season began a little slower, but Southwood's game was an exciting win for the boys. We can't forget the demolishing of the Manchester Squires, and the amazing run through sectionals. It was an unforgettable season. Good luck next year guys!

Whitko High School's Concert Choir gives new meaning to the word diligence. These talented singers practice year-round to perfect their performances. Not just vocalists, the choir incorporates choreography into their programs, giving the audience a magnificent show. As with anything in life, the road to greatness may be bumpy. The Concert Choir works together to overcome the obstacles such as memorizing songs and having those pre-concert jitters. Money for Riley
Sunshine Queen and King Selected

The Sunshine Society raised a total of $8,150.00 for RileyChildren's Hospital in the annual Sunshine Queen Contest. This year there was a new twist to the contest--a Sunshine King. The girl and boy who raised the most money were selected queen and king respectively. The amount raised this year set a school record even though it was postponed for a week due to snow and school closings. The girls and boys worked very hard to raise the money. Everyone enjoyed the cookies and the bake salesn during the week of raising money.

A New Direction

Rachel Peters & Ashley Tash

What a year it's been! Not only have we been working together on the yearbook, keeping up with the events of the school year, and updating the school webpage, we've also developed friendships and improved our people skills. It's been an experience for each and every one of us. We've taken on a new line of technology this year. We began using *Image In* and *Page Maker 6.5* to design our layouts and insert our pictures right onto the layouts. Working with these programs has made creating the yearbook more time-efficient--and more fun!
